ACCOUNT MANAGER

Are you a creative and ambitious sales talent, eager to put your skills to good use? Then Senu is looking for you!

Our team is looking for a creative and attentive account manager, with a positive attitude that complements our company's vibe. Someone who is eager to help our business grow, and excited about delving into the innovations of potential customers. You will take on leads and be the first person a potential client talks to.

You will help them shape their first ideas into a clear briefing. Together with our creatives, you will draw up original proposals and convince the client to agree on a deal. You will convert leads into recurring customers, and help bring about follow-up projects from our client database.

Please send me your CV before the 22nd of April, and I will contact you - caspar@senu.org

WHO ARE YOU

- Social, enthusiastic and customer-friendly
- Someone who prefers calling over emailing
- Creative and communicative
- Quick-witted: you understand what our clients do and how to act on that
- Excellent English in text and word; Dutch is a plus
- Higher education of equivalent ability
- A minimum of two years sales/account management experience

WE OFFER

- Competitive salary
- Opportunity to grow along Senu
- Pension plan through BrightPensioen
- Delicious lunches at the office
- Travel expenses
- Financial bonuses
- A company Macbook

SENSU - CREATIVE AGENCY FOR THE VISIONARY

Our clients change the world. From hydrogen and life-saving medicines to next-generation protein sequencers. Our clients make an impact on society - transforming how we approach the biggest challenges of today and tomorrow. We translate their stories into award-winning visual content, brand identities, strategies and designs.
